9- Old Business

- a. Welcome Wagon/Bag/Basket & magnet- Ball rolling, but PUT ON HOLD till August/September. **Is requiring more time and effort that is not currently available due to upcoming programs (MS Tram, Prairie Days and Bridges)**
- b. Pots on Main- Moving forward, question about public water - See Brenda's email below

With the pots on Main Street. The City has and continues to help out with the program. This is what the city has done in past years.

- ✓ We can pick the pots up from the hart Mall fill pots with black dirt.-
- ✓ Once pots are filled with the plants we can drop off pots at the location you directed.
- ✓ At end of season we pick up pots and store at one of our city locations.
- ✓ In past years we never did anything with the pumpkins in the pots The city does not have to do anything with the pumpkins. The Talbatts do that after work, BUT this year only 19 businesses ordered pumpkins, so 6/7 pots had to be taken off Main Street , so that might be the issue next year too. That means mid-October, there may be pots that need to be taken off Main Street. **nor did we do anything with public water.** Outside my window at the Chamber office there is a spigot for water, could the Chamber pay the City for the gallons of water we use and use that water supply? Then I would not have to use Mike Wolters water supply. Yes, Lu will be obtaining a water key for public water access. MN National Bank is willing to donate their golf cart on watering days.
