

# Home for the Holidays

## Bright Light Tour:

Take a tour of the Long Prairie area and view the beautiful holiday decorations and lights. Businesses/organizations and residents have taken time to decorate their offices, store fronts, homes, lawns or trees for the community to admire. We will have a map that will guide you around town, like a parade. The tour map will be out on our Facebook, website, and we can send it to you via email by December 10, 2021. Contact the chamber at [chamber@longprairie.org](mailto:chamber@longprairie.org) or call 320-732-2511 for maps.

## Santa's Street:

Visit Santa downtown on Central Avenue. Santa will be welcoming families, having photos taken with children, bringing good cheer and asking for letters. There will be mail box available to drop off the letters.
