BLEND : Engaging the community to improve health.

BLEND is a community collaborative made up of leaders from local businesses, schools, health care, the public and non-profit sector, and families working to reverse childhood obesity.

In pursuit of this mission, BLEND supports community efforts to increase physical activity and promote healthy eating habits. BLEND also works with local schools and community stakeholders to support health initiatives like NuVal Nutritional Scoring System, BLEND Walk-A-Thons, Complete Streets, and Safe Routes to Schools. BLEND invites all to support, invest, inform and focus on efforts to improve health – wherever Central Minnesotans live, work, learn and play.
